Curling starts soon. Are you registered? Look for your application in the regular mail, or download one from the website at www.kelownacurling.com.

Afternoon and Evening leagues start Thursday, October 10, 2013.

Some draw times have changed this year, so check the information on the next page for details and get your team together!

There are more changes at the club. We are so excited to now be offering pro shop sales! After decades of supplying curling and golf supplies to the Interior, Rick and Liz folk are retired and heading to the sunny south for part of the winter. The opportunity gives our members a pro shop that will not only offer curling supplies year round and out of the club's office, but also profits, like the food and beverage, will go to keeping our curling fees down. The staff is looking forward to serving you and showing you the pro shop's new home.

We also welcome Office Manager Cathy Backmeyer. Stop by and say hello!

There's a new menu at the club, too, featuring Dale's famous pulled pork sandwich and smoked chicken wings plus much, much more.

You can register in person, by fax and include your credit card information on the fax, or online. *Registration will not be taken over the phone.* We accept cheque, Visa, Master Card, Debit and cash.

Team Policies

The club must receive FOUR FULLY paid dues per team at time of registration. While our "spare" rules indicated that there may be situations when a team does not have four fully paid players, this condition must be considered a **TEMPORARY SITUATION ONLY!** As in years past, the SKIP shall be held responsible for ensuring that there are four **FULLY** paid players on their team throughout the curling season and may be held accountable for any portion **NOT PAID.**

If you need assistance with completing your team, please contact the office. A replacement member must be found in accordance with the TEAM POLICY and compensation to the player unable to continue is the responsibility of the team members.

Refund Policies

Daytime Leagues: Medical refunds only. No re-funds after December 31.

Evening Leagues: No refunds after registration.

Draw Time Changes

In response to many requests from the membership for earlier draw times, the Board has decided to run 6:15 and 8:15 draws three days a week.

Tuesday, Wednesday, and Thursday draw times were moved as demand was highest in those leagues.

There were requests to go to 6:00 PM and 8:00 PM but the Board felt that might be too big a leap in one season. It wasn't that many years ago that the leagues were 6:45 and 9:00!

Another great way to support the Kelowna Blind Curlers is to come out to the Burger and Beer fundraiser on October 27. The event is here at the Kelowna Curling Club and will feature silent and live auctions.

Send us your photo and win good stuff

Curlers, submit your Favourite Kelowna Curling Club photo and you could be a winner. Each month a new photo will go up on our homepage. The winning submitter will also get a \$50 gift card to use in the lounge or pro-shop. So get your entries in.

About the Kelowna Curling Club

Did you know that the Kelowna Curling Club is a non-profit society dedicated to providing curling at a reasonable cost?

The society was formed in 1942, and has been in this building since 1978. All the staff at the KCC are employees of the society. Thus all the sales & profits of the bar, kitchen, and rentals at the Kelowna Curling Club go to keep the cost of curling down. Many times volunteers are required to run a function, or provide some general work around the club and this also goes to keeping costs in line and fees lower. The Kelowna Curling Club operates without subsidy from the City of Kelowna or the Province of BC. Some projects get funding, but day to day operations are funded by you the curler, or renters.

What can you do to help? Little things like bringing your friends in for a beer or dinner before the hockey game. Bring them out to try curling or volunteer to help with painting or running the next event. Every little thing helps.
